CAUSE

On April 26, 2024, Mr. Wright was enrolled in the Random Urine Program, which requires enrollees to call a hotline Sunday through Thursday to inquire if they need to report for a random urine screen. Since being enrolled, Mr. Wright failed to call the hotline a total of eighteen (18) times and failed to report as instructed for urine screening a total of four (4) times.

On May 3, 2024, Mr. Wright submitted a urine sample which yielded positive for alcohol. On May 7, 2024, Mr. Wright initially denied alcohol use, however, subsequently admitted to consuming it

in large quantities. At that time, he was given a verbal warning and was referred to Huther Doyle for substance abuse treatment.

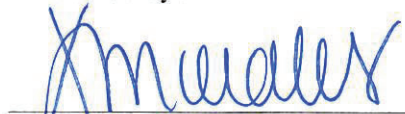

On May 17, 2024, Mr. Wright submitted to a breath test which yielded positive for alcohol and admitted to continued alcohol use. Additionally, Mr. Wright reported that he is unsure of his ability to maintain sobriety due to his mental health and lack of prosocial supports. At that time, he was instructed to reach out to his mental health and substance abuse counselors to address his mental health struggles and ongoing alcohol use. Additionally, he was instructed to contact this Officer each Friday to set up an in-office appointment for the following week. Since given instructions, Mr. Wright failed to contact this Officer to set up appointments a total of four (4) times.

On June 4, 2024, Mr. Wright submitted a urine sample which yielded positive for alcohol. At that time, he was instructed to reach out to his counselor at Huther Doyle to address his ongoing alcohol use. On June 7, 2024, the director at Huther Doyle contacted this Officer and advised that Mr. Wright reported consuming no more than two (2) shots of alcohol at a time, despite previously reporting to this Officer that consumes large amounts of alcohol and struggles with sobriety. The director further advised that Mr. Wright presented with a poor attitude. On June 12, 2024, the above-mentioned was addressed with Mr. Wright, at which time, he admitted to continued alcohol use and being dishonest with Huther Doyle regarding his alcohol use. To address Mr. Wright's dishonesty with Huther Doyle and to come up with a treatment plan that is conducive to his success on supervision, this Officer will be attending a session in the near future with both Mr. Wright and his substance abuse counselor.

Given the above-mentioned, our office recommends the above-noted condition for the purpose of providing Mr. Wright the structure needed to hold him accountable while providing him the opportunity to work with treatment to address his mental health and substance use.

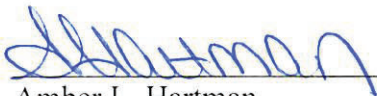

For Your Honor's review, attached is the Probation 49 Form, which has been reviewed with Mr. Wright. He acknowledged full understanding and agreed to the modification as noted above.
